Hi Joan,

OW is interested in participating in the review of this report. I will circle back with Holly about the coordinator, but for the time being you can put me down the coordinator for OW.

Cheers

Bill

Hi Bill. Jeff Frithsen, Mary Hanley and I are coordinating.

**Ex. 5 - Deliberative Process**

The process is that Region 8 prepares a draft comment letter for review, vetting and editing. We haven't settled on a timeline as yet, but that will be our next step. Wyoming is holding a public meeting in January, FYI.

Let me know if you are the coordinator for OW.

Good morning and happy holidays!

I noticed that Wyoming released their draft final report on groundwater in the Pavillion area. I was wondering if you all were coordinating a review of Wyoming's report.

Cheers

Bill
